NuVision Electronics (Pty) Ltd Quote and Order Terms and Conditions – May 2021

- Please note that prices quoted are based on the quantities quoted. If the ordered quantity differs from the quoted quantity, we reserve the right to amend the price accordingly.
- Orders will be subject to minimum order quantities quoted. If an order does not meet the minimum order quantity quoted, we reserve the right to amend the quantity to meet such minimum order quantities
- Items quoted are subject to prior sale and available quantities will be confirmed upon order confirmation by the supplier.
- Due to current market volatility and shortages, all prices quoted are valid for a maximum of 24 hours only.
- Lead-times quoted are subject to change by the manufacturer at time of order placement and such changes will be confirmed accordingly.
- Prices are quoted using a variable Rate of Exchange and are not fixed. Prices are subject to the Rate of Exchange variation, at time of delivery.
- All Prices exclude VAT
- Please check and confirm that the part numbers offered in this quotation are in accordance with your exact requirements.
- Due to current market volatility and changing Supplier terms, all orders placed by Customers and accepted by NuVision Electronics (Pty) Ltd are considered to be Non-Cancellable, Non-Returnable and Non-Deferrable at time of acceptance.
- All Pre-Paid Supplier Orders are considered as NCNR (Non-Cancellable, Non-Returnable) at time of Customer Order.
- All Pre-Paid Supplier Orders are considered as Non-Deferrable at time of Customer Order (No Delivery Date Amendments are allowed for Pre-Paid Supplier orders).
- Call Off Orders are restricted to a maximum of 6 deliveries over a maximum of a 6 Month period.
- Call Off Orders are Non-Deferrable beyond the original 6 Month schedule agreed.
- Once inventory against a Customer Order has arrived in the NuVision Electronics warehouse, the Customer Required Delivery Date is Non-Deferrable.
- Any Customer Delivery Date Deferment request for a non-Pre-Paid Supplier Order will be limited to a maximum deferment of 30 days from the original Customer Requested Delivery Date, subject to approval by Management.
- NuVision Electronics supplies stock from different manufacturers and wholesalers of electronic components. With certain suppliers, NuVision Electronics is not advised of the Manufacturers Date Code for the stock being quoted or ordered. Where possible, our quotations will include the original Manufacturers Date Code offered but this is not always available. Should you have a special requirement regarding the Manufacturers Date Code, please specify this either at the time of requesting your quotation or at the time of placing your order to allow NuVision Electronics to meet this requirement. NuVision Electronics will not be held liable for material being rejected due to a Manufacturers Date Code if we are not aware of your requirement at time of quotation or order.
